### Equipment (Schools need to provide/take to competition)
- All equipment will be provided

### Competition Rules
Footgolf is a combination of football and golf, just with bigger holes! The game involves kicking a football into a hole in as few kicks as possible.

The following rules of the competition are to be adhered to at all times:

- The competition will consist of 18 holes
- Competitors will rotate around the course in pairs (1 boy/ 1 girl in a pair) with 2 pairs playing against each other at one time on each hole.
- Each boy/girl pair will share one ball. Boys will tee off on odd numbered holes and girls will tee off on even numbered holes. Each partner takes alternative shots during each hole
- Using the scorecard provided competitors must wait for their turn and try to make sure their kick does not interfere with others on the course
- The ball must be played in a single movement. Kick the ball rather than pushing it.
- Wait until the ball comes to rest. Don’t stop the ball from rolling in the wind
- Kick your ball from a position up to two metres behind the markers. The order of play is established based on the score of the previous hole.
- The pair with the best score will be the first to kick off on the next hole
- Play the ball from where it lands. Please do not move the ball. However, you can mark the spot and lift the ball if it obstructs the other player’s kick or ball in any way.
- If you are unfortunate enough to land your ball in water, retrieve or replace it within two steps from the closest land point from where the ball entered the water. Receive one penalty point. Alternatively, you can place the ball at the position of the previous kick and receive one penalty point
- Only on the greens may the ball be picked up or replaced.
- Maximum number of shots per hole is 10
Scoring

- Once all pairs have completed the course (18 holes) scores will be accumulated with the top 3 scores counting towards their team’s total. The team finishing with the fewest shots (once combined) win the overall team competition. Medals will also be awarded to the top 3 finishing pairs.

First Aid & Emergency Procedures

At local inter-school School Games competitions all schools are responsible for the provision and administration of their own First Aid. The Competition Organiser or School Games Organiser will brief School Staff prior to the start of the competition, and will provide information about emergency procedures.

At county level competitions school staff will still be asked to take responsibility for their own team. However, first aid will be provided by a third party and an event Welfare plan will be in place to support the health and safety of all participants, volunteers and staff.

Withdrawing from a Competition

In the event your school has to withdraw from the Competition, please inform your School Games Organiser giving a minimum of 48 hours’ notice. Ideally please give more notice so that another team can be offered the opportunity to compete at the county School Games event. The sport specific competition organisers will be planning their competition to the number of teams entered and late withdrawal will potentially create difficulties for many people. Your support in this aspect of the games is greatly appreciated.

Cancellation of a Competition

In the unlikely event the competition has to be cancelled the Competition Organiser will contact schools at the earliest opportunity. If you are not contacted assume the competition is taking place.
