Adaptations – make this challenge work for you;

- Use a stepping action (one foot at a time) instead of jumping with both feet at once.
- Hold the hands of an adult to support you as you jump from one side to the other.
- Wheelchair users/physical disability: set up two parallel lines on the floor 2.5m apart. Move from side to side touching one line, then the other. The distance can be adapted to suit the individual athlete.
Did you know:

The **School Games Mark** is a nationally accredited awards scheme, which rewards schools and other educational establishments for their commitment to and development of; competition, school sport, physical education and physical activity.

It is an award that all schools can apply for, and we have received an incredible **35,500** School Games Mark applications since the scheme was first launched in 2012.

Applications are divided into four sets of questions, and cover the following basic topics...

- **Participation** - people at your school that are engaging in sporting activity
- **Competition** - variety of sports and number of competitions are being entered
- **Workforce** – leadership activity participation alongside competitions
- **Clubs** - local links with clubs in the area

Applications are graded against: **bronze, silver, or gold** criteria, and schools with consistent gold level applications are also given the opportunity to apply for the **platinum award**.

---

**Fun Fact** – Speed Bounce is an indoor athletics event, and is included in the CSW School Games county finals 5 times across the school year; KS1 Infant Agility, SEND Primary & Secondary Sportshall Athletics, and Primary & Secondary Sportshall county competitions.
