Closing Date – Friday 20th November 2020

Follow the steps below to get involved:

1. Familiarise your pupils with the challenges in the document below.
2. Pupils to complete all 5 challenges – in school set bubble(s).
3. Input scores into the spreadsheet provided by your SGO.
4. Submit your scores as per the details on the final page.
5. Ensure you complete all data reporting on the spreadsheet and return to your SGO before Friday 20th November.

SCHOOL GAMES MISSION
Keeping competitive sport at the heart of schools and provide more young people with the opportunity to compete and achieve their personal best.
**Equipment**

- Tape measure
- Long jump mat, throw down line, chalk or tape.

**How to**

- Create your jumping line using your throw down line, chalk or tape. Alternatively, use a standing long jump mat.
- Place your tape measure to the side of the line with the “0” in line with the jumping line.
- Start in a standing position with your toes in line with “0” on the tape measure.
- Bend your knees, and swing your arms forward to help you to jump as far as possible.
- You must start on two feet and land on two feet.
- You are not required to hold the landing but if you fall back or step back then the jump should not be recorded – have another go!
- Record a measurement from the back of the heel closest to the jumping line on landing.

**Scoring**

- You have 3 attempts to jump as far as you can.
- The furthest jump will be taken as your score.
- Scores should be recorded in centimetres.

**TOP TIPS**

- Rock from toe to heel before jumping in order to gain momentum.
- As you jump, swing both arms forward with tension.
- Bend your knees on take-off and landing.
- Take care not to fall back!

**KS1 Infant Agility**

**Top Tips**

Have a few practice jumps before you start to get into the rhythm.

Keep your body upright – try not to look down too much.

Pick your knees up.

**Equipment**

- Speed bounce mat with wedge removed or throw down line (low level - see video)
- Stopwatch

**How to**

- Stand with two feet on one side of your line.
- Jump over your line from side to side.
- You have **20 seconds** to complete as many bounces as possible.
- Both feet should leave the mat/floor simultaneously and land on the mat/floor simultaneously - Speed Bounce is a two-footed jump.

**Scoring**

- Complete as many bounces as possible within **20 seconds** and record your score.
- Any one-footed steps across the line should **not** be counted.

**Equipment**
- 4 different coloured medium sized hoops.
- 4 bean-bags – 1 of each colour to match the hoops.
- Tape (to tape the hoops to the floor to stop them moving, and to create a throwing line.)

**How to**
- Put a line of tape on the floor to create your throwing line.
- 2 metres away from the starting line, tape your 4 different coloured hoops to the floor in a line going directly away from you (see image).
- Stand with your toes behind the throwing line.
- Throw your bean-bags in to the corresponding coloured hoop (i.e blue bean-bags should be thrown into the blue hoop, red bean-bags into the red hoop, and so on...)
- Throw all 4 bean-bags and repeat 3 times. **12 throws in total.**

**Scoring**
- The score is taken as the number of bean-bags in the correct coloured hoop at the end of your turn. Any bean bags that land in and bounce out do not count.
- You get **2 points** for each bean-bag that’s in the correct hoop. **Max score = 24.**

**KS1 INFANT AGILITY**

**Top Tips**
- Use an underarm throw.
- Start with the closest hoop to know how to weight your next throw.
- Focus on the hoop you are aiming for.

**Did you show self-belief when targeting each hoop?**
**Equipment**
- Tape measure
- A size 3 football
- Cones, chalk or tape (to create your throw-in line)

**How to**
- Start in a standing position with your toes in line with “0” on the tape measure, with a ball (size 3 football) held in both hands at chest level (see image).
- Push the ball upwards and outwards to throw the ball as far as possible.
- Both feet **must** be behind the throwing line and remain on the floor at all times.
- One foot may be in front of the other, but no run-ups or steps are permitted.
- The distance is measured using a roll mat or measuring tape.

**Scoring**
- You have **3 attempts** to throw the ball as far as you can.
- The furthest throw will be taken as your score.
- Provide a measurement to the nearest 0.25 metres from where the ball first hits the floor (for example: 3.25cm, 4.50cm, 5.75cm……)

**TOP TIPS**
- Spread your fingers in a ‘W’ shape behind the ball.
- Lean back, push the ball, and extend your fingers to get maximum momentum on the throw.

**KS1 INFANT AGILITY**

**RUNNER**

**Equipment**
- Cones (x4)
- Stopwatch
- Tape

**How to**
- Place 2 cones on the floor 1 metre apart - this is your starting gate.
- Place your other 2 cones directly opposite, at a distance of **10 metres** away.
- From your starting gate, run in a straight line to the cones at the other end, put at least one foot over the line between the cones, turn around and run back again.
- Complete the 10 metre distance **4 times** to complete 40m, and stop the timer when the participant crosses the finish line.

**Scoring**
- Your score is the total time in seconds (to one decimal place, e.g. 32.3) taken to complete the 40m course.

**TOP TIPS**
- Practice your turns - this is where you can lose or gain a lot of time.
- Use your arms to help you to accelerate.
- Run through the finish line.

**The School Games**

The School Games provide an excellent opportunity to engage more and different young people in leadership roles. Below are some examples of the roles young people can engage with throughout this competition.
The School Games is designed to deliver competitive school sport to all young people. The School Games programme wants to ensure there are SMILES on the faces of all young people when participating in a School Games event.

Please take a look at the SMILES check list below...

**SMILES**

If all the competition principles are followed, that should result in SMILES. Use the below as a check list:

- **SAFE** participants feel physically and emotionally safe.
- **MAXIMUM PARTICIPATION** participants are fully involved all of the time, i.e. not hanging around.
- **INCLUSIVE** all participants can take part; activities are designed to suit and develop their abilities.
- **LEARNING** participants develop personal, social, creative, thinking and/or physical skills.
- **ENJOYMENT** activities recognise individuals’ personal needs and interests.
- **SUCCESS** participants feel they are making progress and getting satisfaction.

NB. While there isn’t a specific letter for fair play, SMILES only happen for all participants if they feel a sense of fairness. Fairness underpins inclusion, enjoyment and success; it isn’t just about ‘rules’.

**This competition is open to Yr. 1&2**

Each school can enter a maximum of 3 teams (A, B & C) each made up of 5 boys and 5 girls. All competitions have been developed to be delivered in PE Lessons to class groups/bubbles, encouraging maximum participation.

Please use the spreadsheet provided by your SGO to record your scores as well as your number of participants at intra-house level.

Spreadsheets should be completed and returned to your SGO by **Friday 20th November**.

On receipt of your entry, you will receive a participation e-certificate to be printed and awarded to all pupils that have taken part.

CSW SGO’s will also provide School Games Values E-Certificates, which should be awarded to pupils that have shown the values highlighted on the challenge cards throughout the competition.

Local inter-school (level 2) results will be announced on **Friday 27th November** by your SGO. Winners will receive t-shirts and be put forward to represent at county level.

Once you have been put forward to represent your area, results will be compared across the 8 SGO areas.

County final winners will be announced on **Monday 14th December** where the top 3 teams will receive medals and certificates.
