

# PRIMARY DANCE

## CONNECTIONS – FS/KS1 & KS2

Congratulations on getting through to the County Finals that is a brilliant achievement!! We would like you to be part of the judging panel to decide the overall placings!

Using the criteria below we would like you to watch all the performances and rank them in your preference from 1<sup>st</sup> – 7<sup>th</sup> place. (You cannot include your schools dance!!) These are what we asked schools to include in their dances and will help you make your own judgements.

### Success Criteria

How well have they done the following:

#### 1) Use of theme

- a. Have the school explained the theme of their dance
- b. Can you see this is reflected in their dance?

#### 2) Choreography

- a. Can you see pupils using their own ideas?
- b. Can you see pupils using different levels, directions, timings & formations?

#### 3) Performance Qualities

- a. Are most of the pupils performing with confidence?
- b. Can you see that the pupils are enjoying taking part?

#### Note about EY/KS1:

We would expect that the EY/KS1 should be demonstrating some of their own simple ideas or may have chosen from different ideas presented to them. We also would expect they would have had greater input from a teacher in choreographing the dance. Please reflect upon how well the pupils have participated in the overall choreography and their performance qualities.
